2509	Gulf DEXRON®VI ATF	Approved by General Motors > DEXRON®VI

Data mentioned in the Product Data Sheets are typical only and minor variations, which do not affect the product performances, are to be expected in normal manufacturing. The information given in the Product Data Sheets are based on past history of the grade only and must not be construed as a guarantee of performance. Always follow the equipment manufacturer's recommendations for performance level, viscosity grade and oil drain interval. The Material Safety Data Sheets for the products are available with your nearest Gulf Office.
