# Gulf Super Duty CF 30

*High Performance Heavy Duty Diesel Engine Oil*

## Product Description:

**Gulf Super Duty CF 30** is a heavy duty diesel engine oil developed to meet the requirements of a variety of diesel engines operating under severe conditions and is formulated from highly refined base stocks and balanced additives to provide effective protection to engines operating under various environments and are suitable for use in a wide range of on- and off-highway applications where such type of lubricant is recommended.

**Gulf Super Duty CF 30** has improved detergency that helps to reduce deposits and keeps engines cleaner, better thermo-oxidative stability protects against sludge build-up, deposits & oil degradation and controls oil thickening. Effective antiwear properties protects engine components against wear to offer extended engine life and reduced maintenance costs and good corrosion inhibition properties protects against corrosion and wear.

**Gulf Super Duty CF 30** is suitable for turbocharged and naturally aspirated diesel engines of all leading engine manufacturers, for on-highway applications including light and heavy duty applications and heavy-duty diesel engines used in mining, construction, agriculture and other off-highway applications.

## Meets the specifications of: API CF
